Public transport in Ostrava is easy – just tap your payment card on the terminal when you board the vehicle. The price of a regular ticket is 32 CZK, you have 60 minutes to ride and you can change vehicles freely. In case of transfer, tap your card again when you enter the next vehicle. The basic price is still valid for up to 60 minutes.

If your journey is without a transfer and lasts ten minutes or less, tap your card again while exiting the vehicle - the system will record that it was a short journey and will charge only 24 CZK.

What is the flight plan...?

We take off in the evening on Thursday 2.4...! Right after boarding there's a musicality workshop followed by party in Komůrka with Jan Galia playing for you...

On Friday 3.4., there are afternoon blues lessons in the Beat Up Studio... We'll kick off the evening with a talk on the history of blues by Agnieszka and Konrad, then learn a few dips with Verča and Martin as part of a taster, and afterwards start a proper party with The Lewis Creaven

Band at BumBum Comedy....

On Saturday 4.4. our main base will be in the Town Hall Ballroom - there will be morning and afternoon lessons as well as the main party... We'll warm up the party with a taster with Anna and Adam, and right after that The Half band will start playing... At midnight we will fly over to the Komůrka venue, where the party goes on...

On Sunday 5.4. we'll start with an excellent brunch at Trouble Cafe and then head out on a short trip, which - if the weather is nice - we'll wrap up with a social dance by the river... After that comes the landing, a slow return to reality, and gradually catching up on lost sleep...

You can find full schedule with detailed times and venues in chart above or on [https://swingville.cz/registration/fly-to-the-moon\\_26/](https://swingville.cz/registration/fly-to-the-moon_26/)
